

Hope Lutheran Preschool

Hope Lutheran Preschool is an integral part of the Christian Education Program of Hope Lutheran Church. The preschool emphasizes Christian principles and teachings as children interact and engage in activities centered on living and learning. The preschool provides a Christian witness and service to the community for its young children.

The focus of the preschool is to provide children with age appropriate opportunities for spiritual, emotional, social, physical and intellectual growth. Children will grow through play, stories, learning centers, Bible lessons, chapel, music, arts and crafts. The preschool offers a weekday program for toddlers, two, three, four and five-year old children.

Curriculum

Our curriculum is a combination of free play and group activities guided by qualified teachers and teaching aides. Curriculum areas include:

- Art, music & movement
- Gross and fine motor development
- Socialization development
- Number Usage
- Letter and sound recognition
- Science and social studies
- Preparatory writing skills
- Language development

The curriculum includes weekly chapel services which are supplemented by classroom Bible stories and songs from "Voyages-Exploring God's Word" Bible curriculum. Christian ideals are not viewed as a subject apart from our daily living, but rather as the way to live and work together.

Registration Information

Registration for the 2010-2011 school year will begin in late January 2010. Members of Hope Lutheran Church have first priority for registration; followed by current students and their siblings. All spaces are on a first come, first serve basis. Multiple child discounts will be given. The school year will begin with an Open House in late August.
